Dear Friends:

I cannot find the words to express our most sincere appreciation for your generosity toward our recent family cruise. Our entire family had the most memorable trip that we could have ever imagined. We spent five wonderful days on the Carnival cruise liner Ecstasy. We stopped in Progresso where Eddie, Amanda and Sarah enjoyed an excursion of the Mayan Ruins and Katy and Kyle went shopping. In Cozumel we all enjoyed the beautiful beaches, snorkeling, kayaking, swimming and just walking along the beautiful shore. Aboard ship we enjoyed the most delicious meals, beautiful shows and many other activities. Eddie and Kyle entertained us singing karaoke and Sarah and Katy performed a beautiful ballet dance at the guest talent show. We returned home feeling relaxed and refreshed. Many thanks and may God bless you.

Sincerely,

Ed and Sharon Middlebrook
